Iyengar Yoga Ottawa-Gatineau is a non-profit association of students and teachers dedicated to encouraging physical, mental and spiritual development through the study and discipline of Iyengar yoga. Through the volunteer effort of its Board of Directors, members and supporters, the association operates Ottawa's Iyengar Yoga Centre.

Membership includes discounts for workshops, library borrowing privileges and free access to open practice time at the centre. Membership is also an opportunity to participate in developing the Iyengar Yoga Centre. Your skills and ideas are warmly welcomed, as dedicated volunteers do much of the work at the centre.

All membership fees will go to keeping our yoga centre warm, bright and well equipped for the benefit of the Iyengar yoga community.
